

Procedure	Price
Printed Cassettes for External Use (per cassette)	\$0.50
Decalcification (per cassette)	\$14.00
Automated Paraffin Processing and Embedding (per cassette)	\$9.00
Lac-Z Processing and Embedding; upcharge (per cassette)	\$6.00
Manual Paraffin Processing and Embedding (per sample)	\$27.00
Complex Special Embedding; upcharge (per cassette)	+\$5.50
Supermega Format Processing and Embedding; upcharge (per cassette)	+\$30.00
Paraffin Sections; unstained on silanated glass (per slide)	\$5.50
Paraffin Sections; unstained of rumen/calcified tissue on silanated glass; upcharge	+\$1.50
RNase Free on Vectabond Treated Glass; upcharge (per slide)	+\$1.00
Supermega Paraffin Sections; unstained on silanated glass; upcharge (per slide)	+4.00
Paraffin Sections and Routine Stain; H&E (per slide)	\$6.50
Paraffin Sections of Rumen and Routine Staining; H&E (per slide)	\$8.00
Supermega Paraffin Section and Routine Stain; H&E; upcharge (per slide)	+6.00
Paraffin Sections and Special Stain; Facile (per slide)	\$28.00
Paraffin Sections and Special Stain; Intermediate (per slide)	\$36.00
Paraffin Sections and Special Stain; Complex (per slide)	\$48.00
Paraffin Sectioning and In-Situ Hybridization; 1-probe analytical (per slide)	\$66.00
Paraffin Sectioning and In-Situ Hybridization; up to 6-probes screening (per slide)	\$148.50
Paraffin Sectioning and Immunohistochemistry (per slide)	\$44.00
Multiplex IHC Markers (per marker, per slide)	+\$2.50
Additional Paraffin Section; upcharge; serial section (per level)	+\$1.00
Visium Sectioning Protocol; on Nexterion glass (per slide)	\$50.00
Xenium Sectioning Protocol	\$25.00
Additional Paraffin Section; upcharge; interval section (per level)	+\$2.00
Additional Paraffin Section from Additional Blocks on Same Slide; upcharge (per block)	+\$4.50
Staged Paraffin Embryo Sections with Custom Anatomy (per slide)	\$22.00
Paraffin Sections from Core Tissue Library; RNA Quality; upcharge (per slide)	+\$2.00
Routine Stain Only; (per slide)	\$2.00
Coverslipping Only (per slide)	\$2.00
Deparaffinization (per slide)	\$2.00
Frozen Embedding (per block)	\$9.25
Frozen Sections; unstained on silanated glass (per slide)	\$7.50
Additional Frozen Section; upcharge; serial or interval (per level)	\$1.00
Enzyme Histochemistry (per slide)	\$42.00
Sled Microtomy Brain Series (per series)	\$80.00
Vibratome (per block)	\$105.00
Grossing (per cassette)	\$4.00
Technical Assistance (hourly)	\$70.00
Complex Technical Assistance (hourly)	\$140.00
Image Processing (hourly)	\$50.00
Dye Sub Print	\$8.00
Flats/Boxes	\$7.50
Slide Mailer	\$1.75
Pathologists Review (hourly)	\$200.00
Miscellaneous (partial procedures etc)	prorated

Effective September 1, 2024
