

**IF YOU SPEND YOUR
LIFE TRYING TO BE
GOOD AT EVERYTHING,
YOU WILL NEVER BE
GREAT AT ANYTHING.**

For a while, I looked outside to see what I could make the world give me, instead of looking inside to see what was there.

You don't need to be sick to get better.

When the grass appears greener on the other side of the fence, fertilize your grass.

**IF YOU FEEL HAPPY,
TELL YOUR FACE.**

YOU'LL NEVER LEARN WHAT YOU THINK YOU ALREADY KNOW.

Strive to be both very good at work and very good at life.

Leadership is about one life influencing another.

Anyone can hold the helm when the sea is calm.

To handle yourself, use your head.
To handle others, use your heart.

You cannot open a book without learning something.

Consider letting people off the hook for a deed they committed or a harsh word they spoke.

Attitudes are contagious. what would happen if people caught yours?

The best way to find yourself is to lose yourself in the service of others.

First we forget names. Next we forget faces. Seek to forget neither.

Click on the graffiti or on the ACE and Skillsoft logos for useful resources.
