

# YOUR BENEFITS COVER MDLIVE VIRTUAL DOCTOR VISITS.

YOUR FIRST LINE OF DEFENSE AGAINST COLD, FLU & COVID-19.

This winter, the cold, flu, and COVID-19 will likely continue to spread. Using MDLIVE virtual visits give you and your family access to fast, proven, safe, and accurate healthcare – from the safety and comfort of home.

MDLIVE doctors are available 24/7 for virtual appointments – from diagnosis and treatment to prescriptions, all in one call that you can make any time and from anywhere.

**\$0** UTS PLAN MEMBERS COPAY FOR BOTH MEDICAL OR BEHAVIORAL VISITS

## USE YOUR VIRTUAL VISIT BENEFIT.

### SAFE ALTERNATIVE TO URGENT CARE CLINICS

Avoid waiting room germs and higher costs of Urgent Care Clinics.

### AVAILABLE 24/7

Talk with a doctor in 15 minutes\* by phone or video, 24/7, even weekends and holidays.

### PRESCRIPTIONS IF NEEDED

Your provider can send prescriptions to your preferred pharmacy and refill existing medications.
